## Technical Specifications

## Field Adjustability

## Field Adjustable (Wattage):

Field adjustable light output in 3 discrete steps: Large Housing: 260W/220W/170W (factory default 260W)

## Compliance

## UL Listed:

Suitable for wet locations

## IESNA LM-79 \& LM-80 Testing:

RAB LED luminaires and LED components have been tested by an independent laboratory in accordance with IESNA LM-79 and LM-80.

## DLC Listed:

This product is listed by Design Lights Consortium (DLC) as an ultra-efficient premium product that qualifies for the highest tier of rebates from DLC Member Utilities. Designed to meet DLC 5.1 requirements
DLC Product Code: S-9KD2YF

## LED Characteristics

## LEDs:

Long-life, high-efficacy, discrete, surface-mount EDs

## Color Consistency:

7-step MacAdam Ellipse binning to achieve consistent fixture-to-fixture colo

## Color Stability:

LED color temperature is warrantied to shift no more than 200 K in color temperature over a 5 -year period

Color Uniformity:
RAB's range of Correlated Color Temperature follows the guidelines of the American National Standard for (SSL) Products, ANSI C78.377-2017.

## Electrical

Driver:
170W: Constant Current, Non-Class 2, 480V, 50/60 Hz, 480V: 0.39A

220W: Constant Current, Non-Class 2, 480V, 50/60 Hz, 480V: 0.50A

260W: Constant Current, Non-Class 2, 480V, 50/60 Hz, 480V: 0.57A

## Dimming Driver:

Driver includes dimming control wiring for 0-10V dimming systems. Requires separate 0-10V DC dimming circuit. Dims down to 10\%.

THD:
4.36\% 480V

Power Factor
$96.3 \%$ at 480 V
Surge Protection:
Line to Line: 10 kV
Line to Ground: 6kV

## Performance

## Lifespan:

100,000-Hour LED lifespan based on IES LM-80 results and TM-21 calculations

## Technical Specifications (continued)

## Construction

## IES Classification:

The Type V distribution produces light in a wide and uniform $360^{\circ}$ pattern that is perfect for large outdoor areas such as parking lots, corporate parks and retail settings

## IP Rating:

Ingress protection rating of IP66 for dust and water

## Cold Weather Starting:

The minimum starting temperature is $-40^{\circ} \mathrm{C}\left(-40^{\circ} \mathrm{F}\right)$

## Ambient Temperature:

Suitable for use in up to $40^{\circ} \mathrm{C}\left(104^{\circ} \mathrm{F}\right)$

## Housing:

Die-cast aluminum

## Mounting:

2 3/8" slipfitter mount with stainless steel hardware

## Tilt Increment:

Rotates in 5 degree increments
Lens:
Polycarbonate lens

## Reflector:

Aluminum reflector with white polycarbonate

## Vibration Rating:

3G vibration rating per ANSI C136.31
Effective Projected Area:
$E P A=0.69$

## Gaskets:

High-temperature silicone gaskets

## Finish:

Formulated for high durability and long-lasting color

## Green Technology:

Mercury and UV free. RoHS-compliant components

## Sensor Specifications

## Multi Level Motion Sensor:

/WS2 sensor options use state-of-the-art surface mount technology (SMT), just like cellular phones and beepers. SMT gives you more reliability, greater RFXimmunity. This compact sensor that can fit neatly where others cannot. This sensor technology automatically affects the state of operation for lighting systems or individual luminaries based upon detecting the presence or absence of movement for both people as they exit/enter, or for the motion of moving vehicles within the sensors viewing area. The wide $180^{\circ}$ viewing angle can detect movement along the entire side of a building with only one compact sensor. The hard lens is molded as part of the case, vandalproof, rainproof, bugproof and absolutely sealed. Sensor functions best when movement is across its detection pattern, not towards the sensor.

## Other

## Warranty:

RAB warrants that our LED products will be free from defects in materials and workmanship for a period of ten (10) years from the date of delivery to the end user, including coverage of light output, color stability, driver performance and fixture finish. RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty.

## Buy American Act Compliance:

RAB values USA manufacturing! Upon request, RAB may be able to manufacture this product to be compliant with the Buy American Act (BAA). Please contact customer service to request a quote for the product to be made BAA compliant.

## Equivalency:

Equivalent to 1,000W Metal Halide

## Features

0-10V dimmable standard
IP66 Rated
100,000-Hour LED lifespan
10-Year, No-Compromise Warranty

## Ordering Matrix
